RORSCHACH'S WORKING FOR ME.

RREOW!

WITH YOU... NEVER FOR...

OZYMANDIAS?

HELLO AND WELCOME. I SEE YOU'VE BROUGHT YOUR HUSBAND ALONG.

DISAPPOINTING, BUT EXPECTED. I DOUBTED RORSCHACH COULD PERSUADE YOU OTHERWISE.

I DON'T KNOW WHAT YOU WANT WITH US...

I ONLY NEED YOU, TRUTHFULLY.

ME THEN...

BUT IF YOU KNOW WHERE OUR SON IS, YOU'LL TELL US, RIGHT NOW.

OR WE KILL YOU AND THIS PRETENDER.

AND I'M BETTING WE COLLECT A SHITLOAD OF MONEY FOR IT.

WHAT'S THE PRICE ON YOUR HEAD ANYWAY? TEN MILLION? TWENTY?

AND THEY SAY WE'RE THE ONES WHO BELONG IN PRISON...

LOOK, WHAT DO YOU WANT WITH US? WHAT'S THIS BULLSHIT ABOUT FINDING "GOD"?

"FINDING GOD." THAT'S WHAT RORSCHACH CALLS IT.

I ASSUME YOU'RE AWARE OF WHAT I DID...

EVERYONE KNOWS WHAT YOU DID.

IT TOOK A LIFETIME TO CONCEIVE AND ORCHESTRATE. FOR A MOMENT... THERE WAS HOPE.

"BUT EVEN THE GREATEST OF EMPIRES DECAYS."

THE VERY NAME I TOOK IS A TESTAMENT TO THAT.

"THERE IS NO ESCAPING THE IRONY. I FOUND MYSELF LAUGHING UNCONTROLLABLY WHEN I FIRST REALIZED..."

LAUGHING UNTIL IT HURRRNGG.

...AS THE CLOCK HITS THE TWO-HOUR MARK, I AM SAD TO REPORT THAT FORCES IN POLAND CONTINUE TO ADVANCE DESPITE WHAT ANY FOREIGN PRESS MAY CLAIM...

"DO NOT BELIEVE THEIR LIES."

NNG.

WHAT'S WRONG WITH HIM?

HE'S AN ASSHOLE.

YES.

I ALSO HAVE CANCER.

"AND IT'S SPREADING."

ANOTHER REMINDER OF MY MISTAKES.

"TAKING WHAT IS MOST PRECIOUS TO ME..."

MY DREAM HAS DIED.

I CANNOT SAVE OUR WORLD. THOUGH THERE IS ONE WHO, EVEN NOW, HAS THE POWER TO.

DR. MANHATTAN.

DR. MANHATTAN?

NO ONE'S SEEN HIM IN YEARS.

YES, I KNOW.

I'M LEAVING THIS GALAXY FOR ONE LESS COMPLICATED.

THAT IS OUR MISSION. ALL OF US.

WE NEED TO FIND JON.

THE GREAT LIE

By JACK N. ANDERSON
Special to The New York Gazette

MANHATTAN, New York, November 2 -- On the eve of the election, while he trails behind in the polls, President Redford will deliver a speech revealing the alien monster that attacked New York was a hoax perpetrated by "the world's smartest man" and "humanity's savior" -- Adrian Veidt. At four o'clock today, the President will unveil the details of a covert investigation dubbed "Operation: Commodus" that was launched earlier this year. "Operation: Commodus" was so secret, it was run out of the White House and overseen by the President directly.

The final report was turned into the President last night and connects the mysterious and unsolved deaths of writers, artists, engineers, physicists, journalists and even Ozymandias' former costumed colleagues to Adrian Veidt. In the wake of "The New York City Massacre," wars ended, political enemies became allies and Veidt stepped into the spotlight. For the last seven years, he has influenced the world more than any other man in history, creating new policies and brokering alliances across the globe. Although never taking political office, Veidt has been seen by the world as a

Adrian Veidt's personal campaign to disarm the world's nuclear arsenal was finally looking like a reality, yet the latest developments have sent shock waves throughout the world and seemingly halted the battle in its tracks. Launched in 1988, the anti-nuclear mission has seen its share of success and appeared to be on its way to culmination. Commonly believed to have won him the '88 election, President Redford's "Nuclear Free" proposal became central to his campaign. While Soviet President Mikhail Gorbachev's refusal to engage in any kind of disarmament discussions led to the failed coup d'état of '89. In its wake, Gorbachev resigned and the Soviet Union collapsed. President Boris Yeltsin took control of the Russian Federation and promptly joined Redford and the other members of the NTA in their nuclear peace talks. With Veidt leading the charge and the United

Nations embracing his Global Data Exchange Program, the NTA agreed to a dismantling of all nuclear weapons over a 20-year period. But one world superpower was still standing in the way. Over the years, Israel has been steadfast in its refusal to confirm possession of nuclear weapons. That all changed with the truth behind the mysterious event of 1979 forced Israel to admit the existence of its nuclear arsenal. The country reluctantly joined the NTA's disarmament plan. But just three years in, that plan has come to a grinding halt. As the world reels from the accusations against Adrian Veidt, President Redford has terminated his "Nuclear Free" program and withdrawn from the NTA. It's only a matter of time before the rest follow as everything Ozymandias has touched, crumbles.

THE STRANGE CASE OF ROGER JACKSON

BY DOUG ROTH

The FBI are hoping new clues will point them in the direction of the journal of one of New York's most infamous figures and the possible true killer of a man who had it in his possession for years. In 1986, the now-defunct publication known as *The New Frontiersman* printed the mad ramblings of Walter Kovacs, today better known as the vigilante Rorschach. Pages from Rorschach's alleged journal were transcribed and squeezed between a Sunburst candy ad and an interview with a man who Kovacs bit when they were children. It was ignored, as most things in *The New Frontiersman* were at the time. Shortly after the publication, the man who first found Rorschach's journal, Seymour David, an employee at *The New Frontiersman*, was found brutally beaten to death in

his home. Initially, the police believed it to be a break-in gone wrong, leading to the arrest and conviction of Roger Jackson, a young thief who had evidence seemingly mounted against him. Now, in a turn of events, subsequent investigations are telling a different story. New information is pointing to Jackson's innocence and that this robbery was not random at all. At the center of this mystery, which could be the key to finding the true killer, is what was missing from Seymour David's hands when his body was found—Rorschach's journal. Where is it and what additional information does it hold that would cause someone to kill for it? The FBI are tight-lipped, but Jackson's attorneys have already filed a motion for the judge to overturn the jury's guilty verdict.
